Through, The Deputy Commissioner Kolar District

No: 499, Dated 15th March 1902.
Enclosure No 1.

Sir,

I have the honor to request you to be so good as to obtain at an early date, the sanction of Government to appropriate a sum of Rs 150/- for the purpose of "Printing charges and office Contingencies" up to the end of the current official year, out

out of the sum of Rs 1000/- provided for rewards for good service in Government proceedings No: 12192-9 / J 984 dated the 23rd January 1902. It ha been found necessary to spend in addition to ordinary office contingencies, a considerable sum in the purchase of the following absolutely necessary articles, whic I found were required urgently-

1. Locks for lockups and property boxes. I found that the few locks that were in use were so common ~~that~~ any key would open them, an that in nearly all the stations, handcuffs were being used to fasten lock-up doors. I rectified this by the purchase of patent Hobb's locks, as this state of things could not be permitted to go on,

for a single day longer than could be helped.

2. Printing charges. I have had to supply a quantity of new rosters and patrol report forms to work the increased force of the police here on a proper system of relief.

3. Constables catechism books for the use of recruits (obtained from Madras). These will be of great use, the men being very ignorant.

A Statement shewing the details for reappropriation is herein enclosed for favor of perusal.

The matter being urgent I request the favor of an early reply.

I have the honor to be
Sir
Your most obedient Servant
(Sd) P. B. Thomas
District Superintendent
of Police, Kolar Gold-Fields.

Reappropriation Statement of Budget allotment of the Kolar Gold Fields for the year 1901-1902 for the purpose of meeting the charges detailed under columns "Proposed new grant"

Proposed new grant	Budget allotment	additional allotment applied for	Proposals as to how the additional appropriation is to be met	From Budget allotment for the year 1901-02	Remarks.
To Printing charges and office contingencies	Rs 250	150 " "	From Reward for good Service	1000 " "	Of the sum of Rs 250 under the head printing charges and office contingencies Rs 48 was transferred to the head oil & petty Stationery of Thannas vide Govt. order No: 13300 / F 116 of the 20th March 1902

- Grounds of proposition -

The Superintendent of the Kolar Gold Field says that the balance amount of Rs 202 under the head "Printing charges and office contingencies" is quite insufficient to meet the urgent requirements up to the close of the current official year and applies for the transfer of Rs. 150 from the available balance of Rs 710-8-0 under the head "Reward for good service" to the head "Printing charges and office contingencies" for the reasons explained in his letter under reference. —
